

INDEPENDENT TOBACCO FZE

PRODUCT PORTFOLIO

WELCOME TO INDEPENDENT TOBACCO

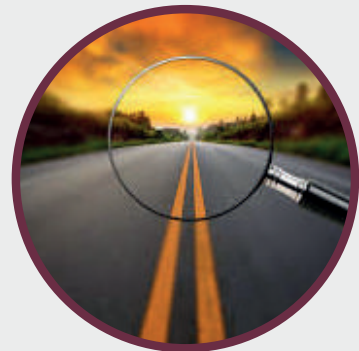

A legacy of excellence in Tobacco
Industry for 35 years

Independent tobacco is committed to the highest quality standards at the most competitive price and to this end we only use the best quality raw materials and packaging in a highly sophisticated manufacturing process. Today we continue the legacy of expertise in manufacturing and marketing our own tobacco-based brands.

*“Cigarette Manufacturers, Exports,
Brand development, Marketing &
Product development”*

Our Vision, Mission & Value

Our foundation has been built on the knowledge that people remain at the heart of our business success, ensuring the embodiment of our guiding principles designed with 'our people' in mind, continue to drive integrity and excellence in all we achieve.

Vision

We aim to be the bench mark supplier of sustainable, innovative high-quality tobacco products that offer substantial value to both consumers & stakeholders alike.

Mission

Through continuous improvement & innovation, we remain customer focussed & consumer centric. We will endeavour to consistently produce products to the highest of standards.

Value

- Integrity
- Excellence
- Responsibility

FINEST TOBACCO BLENDS

The Premium Tobacco Brands
crafted with Quality.

Our Products

Our blends reflect our commitment in meeting consumer preferences of today's adult smokers, sourcing only the highest quality tobacco, providing our consumers with the satisfaction and taste characteristics representative of our brands.

Independent Tobacco strives to deliver a consistent and high quality experience for consumers, that caters to specific markets, tastes and needs in accordance with our values.
